HON. D. R. MURRAY, REV. J. L. EDRINGTON, SERITORIE.

HON, J. PROCTOR KNOTT candidate for re-election to the Lou sk of CONGRESS, subject to a Den ic Convention, should one be called.

Iforms of CONGRESS, subject to a Demo-eratic Convention, should not be called.

The Dimocratic party has always been and will continue to be the "geople's party," and got as our as the flusted party between the property of the continue to be the "geople's party," and got as our set the flusted party between the property of the continue to the cont

voted and aboor to help to success the party Virginian can claim. Wirginian can claim. Accordina speaks favorably of het considered and its power.

No party can aucceed or fift the place considered by the democratic party. It has fewed as If not born to die. It has averived success and defeat, has stood prosperity and adversify, and no new fangled or must-room party cas, with its pany arms, fight the lattice against tyrampy and opperation. It will take the sturidy, powerful blows death only by the braway, sineary, practiced arm of Democracy to battle dawn the powerful money power and opperation—and no one cans affect to hand a concern of the control of the c

copie.

Correspondents for whom we have great
great attaing us to mak for publishing
Democratic paper. We expected this,
for course the anal that rides the black
area dank want to see the gray losers wis,
complete the result. For a fet he bemoratio party don't like to see any memated that looks to be success of that party,
ul egy out against them.

VOL. III.

CLOVERPORT, KENTUCKY, WEDNESDAY, SEPTEMBER 4, 1878.

As we were cantering along Wall street the obser day, we decoped into the Store and Tinware House of MESSISS. WALTER, MOUINAN & CO. We bound them and Tinware House of MESSISS. WALTER, MOUINAN & CO. We bound them with more work than they could do. Slice the opening of this house there has been a dented in this risk; The very large stock has they carry and the Low Frices at which has a street of the second of the street of the second that they carry and the Low Frices at which they still, has exceed to them a very flat-mouth, as however the sales of stores alone, dering the past six mouths, has been over 100. Something unsubject comprising some twenty different policies, comprising some twenty different has given been always to be subject to the street from \$4.1 to \$50. They also have a large unsurterment of reedy-made has fair school and church purposes, and ranging in prices from \$4.1 to \$50. They also have a large unsurterment of reedy-made the fair, which they undoubtedly merit.

We begangs he chekend very hevely trade this fair, which they undoubtedly merit.

the Maxican Dollar, are worth only 20 counts each." Henceforth they will not pass for more than that sun. In 1873 the Trade Dollar was demonstrated, and though it contains more aliver than the new state and dollar, because of its lack of legal tender qualities it will not pass for a dollar, the county fully at intrinsic values of the county fully at intrinsic values of the county fully at intrinsic value words are more fully fully control to the county fully at intrinsic value words are more fully fully control to the county fully at the county fully fully control to the county fully county fully county fully county fully fully

Diamond Crt Diamond.

A mid-ship man once asked a prioss if a le coult tell him the difference between a prioss and an art After a minute this prioss and an art After a minute this prioss. A minute this prioss was a single down his back, but an an wersh is across his shoulders. Well now says the prioss, can you tell use the difference between a mid-ship man and an asa? No says the sailor I cannot, what is 17 I don't see any difference said the prioss.
